Rules: Field dimensions: 7 v 7 lacrosse is played on a 60 x 45 yard field consisting of 2 attack, 2 midfielders, 2 defenders (with short sticks) and a goalie. Rosters are held to 14 players maximum. These games tend to be a lot of fun and higher scoring than a full field lacrosse game. **All players must have a signed waiver.** Our staff will check your rosters and waivers to ensure they match up prior to the start of your first game.

1. 2 midfield, 2 attack, 2 defense, 1 keeper on field at all times.
 2. Sub on the fly.
 3. 25 minute running time games.
 4. No time outs.
 5. Penalties lead to loss of possession or a 3 v 2 fast break. The person who caused the penalty does not have to be exempt from the fast break. In the event of continued penalties the officials reserve the right to suspend players from the game and in extreme circumstances, eject them from the event.
 6. Use of inappropriate language from players or coaches will result in an initial warning from the official, but will be followed up with a penalty on the second offense and in extreme cases of misconduct and offensive language could result in dismissal of a coach, player or entire team from the event.
 7. No body checks.
 8. Face off to start the game - from there the goalie clears the ball after each goal.
 9. There will be one horn to start and stop the games.
